

Ywy Aluminum Brass CNC Machined Parts PDF Drawing Format

Our Product Introduction

Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Certification: 1
- Model Number: ywy123
- Minimum Order Quantity: 1 Perch/Perches
- Price: USD 3.88-32.88 1 Perch/Perches
- Packaging Details: Carton packaging and blister box
- Delivery Time: 10-15work days
- Payment Terms: L/C D/A D/P T/T Western Union MoneyGram
- Supply Ability: 1000 Perch/Perches 10-15work days

Product Specification

- Processing Method: CNC Machining
- Size: Customized
- Design: 2D/3D Drawing
- Drawing Format: PDF, DWG, IGS, STP, Etc.
- Lead Time: 7-15 Days
- Material: Aluminum, Steel, Brass, Copper, Etc.
- Payment Term: T/T, PayPal, Western Union, Etc.
- Tolerance: $\pm 0.01\text{mm}$
- Highlight: **Brass CNC Machined Parts,**

Product Description

Product Description:

Our CNC-machined components are numerically-controlled machining parts produced by precision CNC machining processes. We offer custom CNC machining parts with a tolerance of $\pm 0.01\text{mm}$. We can provide a variety of finishes, such as anodizing, plating, painting, etc. Our lead time is normally 7-15 days and OEM/ODM service is also acceptable.

Features:

Product Name: CNC Machined Parts

Computer-aided manufacturing parts, Numerically-controlled machining parts, Computer-controlled machining parts

Surface Treatment: Anodizing, Plating, Painting, Etc.

Packaging: Standard Export Carton Or Customized

Tolerance: $\pm 0.01\text{mm}$

Application: Automotive, Aerospace, Medical, Etc.

Delivery Method: DHL, FedEx, UPS, Etc.

Technical Parameters:

Technical Parameters	Description
Tolerance	$\pm 0.01\text{mm}$
Processing Method	CNC Machining, Turning, Milling, Etc.
Material	Aluminum, Steel, Brass, Etc.
Packaging	Standard Export Carton Or Customized
Lead Time	7-15 Days
Delivery Method	DHL, FedEx, UPS, Etc.
MOQ	1 Piece
Drawing Format	PDF, DWG, IGS, STEP, Etc.
Size	Customized
OEM/ODM	Acceptable
Computer-Numerically-Controlled parts	Yes
Computer-aided manufacturing parts	Yes
Computer-controlled machining parts	Yes

Applications:

CNC-machined components, also known as Computer-Numerically-Controlled parts, are manufactured using the latest numerical control technology. These components are designed to meet exact specifications and are widely used in a variety of industrial applications, including aerospace, automotive, medical, and consumer products. CNC-machined parts are capable of producing complex shapes and patterns with high precision and accuracy. Yuanwenyu, a leading manufacturer of CNC-machined parts, offers a wide variety of models (1X893, OEM) with a minimum order quantity of 50 pieces. The price ranges from \$2.35 to \$12.68 per piece, depending on the complexity and size of the part. All CNC-machined parts are manufactured with the highest quality standards and are certified. These parts are packaged in EPE foam, anti-rust paper, stretch film, and plastic bags with a standard export carton or customized packaging. The size and processing method can be customized, with options for CNC machining, turning, milling, and other methods. The surface can also be treated with anodizing, plating, painting, or other treatments. Drawing formats can be supplied in PDF, DWG, IGS, STEP, and other formats. Yuanwenyu has a monthly production capacity of 1 million pieces and provides fast delivery times. Payment terms can be discussed.

Customization:

Yuanwenyu offers custom CNC machined parts with the following features:

Brand Name: yuanwenyu

Model Number: 1X893, OEM

Place of Origin: Guangdong, China
Certification: 1
Minimum Order Quantity: 50 pieces
Price: \$2.35 - \$12.68/pieces
Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton
Delivery Time: 1
Payment Terms: 1
Supply Ability: 1000000 Piece/Pieces per Month
Lead Time: 7-15 Days
Tolerance: ±0.01mm
Size: Customized
Delivery Method: DHL, FedEx, UPS, Etc.
Quality Control: 100% Inspection Before Shipment
Computerized Numerical Cutting parts: Yes
Computer-aided manufacturing parts: Yes
Numerically-controlled machining parts: Yes

Support and Services:

At XYZ, we provide comprehensive technical support and services for our CNC Machined Parts. Our technical support team is available to answer any questions related to product selection, installation, maintenance, and troubleshooting. We also offer maintenance services that include regular inspections, performance testing, and component replacement. Our goal is to ensure the highest quality and performance of our CNC Machined Parts.

Packing and Shipping:

Packaging and Shipping for CNC Machined Parts

CNC machined parts are typically packaged and shipped to customers in either cardboard boxes or wooden boxes. Cardboard boxes are generally used for parts that are lightweight and do not require extra protection from external forces. Wooden boxes are typically used for parts that are heavier or require extra protection from external forces.

The packaging process for CNC machined parts is generally as follows:

Parts are inspected to ensure they meet the customer's requirements

Parts are placed into the appropriate packaging material (cardboard or wooden box)

Packaging material is sealed with tape to ensure protection during shipping

Packaging material is labelled with the customer's order information and shipping address

Packages are shipped to the customer using a reliable carrier

FAQ:

Q1. What is CNC Machined Parts?

A1. CNC Machined Parts refers to the parts that are machined by computer numerical control (CNC) machines, with the brand name of Yuanwenyu, models number of 1X893, OEM, and certification of 1.

Q2. What is the minimum order quantity?

A2. The minimum order quantity for CNC Machined Parts is 50 pieces.

Q3. What is the price range of CNC Machined Parts?

A3. The price range of CNC Machined Parts is from \$2.35 to \$12.68 per piece.

Q4. What is the packaging for CNC Machined Parts?

A4. The packaging for CNC Machined Parts is EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton.

Q5. What is the delivery time and payment terms?

A5. The delivery time for CNC Machined Parts is 1, and the payment terms is 1.
