

Customized Stamped Metal Parts Zinc Plating Nickel Plating

Our Product Introduction

For more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: ywy123
- Minimum Order Quantity: 1 Perch/Perches
- Price: USD 3.88-32.88 1 Perch/Perches
- Packaging Details: Carton packaging and blister box
- Delivery Time: 10-15work days
- Payment Terms: L/C D/A D/P T/T Western Union MoneyGram
- Supply Ability: 1000 Perch/Perches 10-15work days

Product Specification

- Surface Treatment: Polishing, Zinc Plating, Nickel Plating, Chrome Plating, Anodizing, Etc.
- Color: Customized
- Shape: Customized
- OEM/ODM: Acceptable
- Processing Method: CNC Stamping
- Size: Customized
- MOQ: 1000pcs
- Material: Stainless Steel, Carbon Steel, Aluminum, Copper, Brass, Etc.
- Highlight: **Customized Stamped Metal Parts, Nickel Plating Stamped Metal Parts**

Product Description

Product Description:

CNC Stamping Parts are precision metal stamping components which are made by CNC Stamping Machines and Metal Stamping Processes. With high-volume Stamping, CNC Stamping Parts can be manufactured with precise dimensions to meet customers' requirements. We offer CNC Stamping Parts in a variety of materials, such as stainless steel, carbon steel, aluminum, copper, brass, and other metal materials. Our CNC Stamping Parts are designed for use in a variety of applications, including automotive, electrical, electronic, and industrial parts. Our CNC Stamping Parts are produced with a tolerance of $\pm 0.01\text{mm}$ and samples are available upon request.

Features:

Product Name: CNC Stamping Parts

Metal Stamping Processes: Customized

Surface Treatment: Polishing, Zinc Plating, Nickel Plating, Chrome Plating, Anodizing, Etc.

Stamped Metal Parts: $\pm 0.01\text{mm}$

Metal Stamping Services: Carton, Wooden Case, Pallet, Etc.

Color: Customized

Technical Parameters:

Parameter	Value
Processing Method	CNC Stamping
Size	Customized
Surface Treatment	Polishing, Zinc Plating, Nickel Plating, Chrome Plating, Anodizing, Etc.
Tolerance	$\pm 0.01\text{mm}$
OEM/ODM	Acceptable
Sample	Available
Material	Stainless Steel, Carbon Steel, Aluminum, Copper, Brass, Etc.
Application	Automotive, Electrical, Electronic, Industrial, Etc.
MOQ	1000pcs
Color	Customized
Computer Numeric Control Stamping	Yes
High Volume Stamping	Yes
High Volume Stamping Production	Yes

Applications:

YWY CNC606 CNC Stamping Parts offer a wide range of applications and scenarios for customers. It is made of high quality stainless steel, carbon steel, aluminum, copper, brass and other materials with strict quality control. The CNC Stamping Processes and Metal Forming Processes are used to create reliable metal stamping parts with tight tolerances and long life. The MOQ is 1000pcs and custom metal stamping service is available. Color can also be customized to meet customers' requirements. YWY CNC606 CNC Stamping Parts are suitable for a variety of industries, such as automotive, aerospace, medical, electrical, and more. With CNC Stamping Machines and experienced engineers, YWY can provide high-quality products and services for our customers.

Customization:

CNC Stamping Parts with ywy Customized Service

Brand Name: ywy

Model Number: cnc606

Place of Origin: guangdonghuizhou

Shape: Customized

Sample: Available

Color: Customized

Application: Automotive, Electrical, Electronic, Industrial, Etc.

MOQ: 1000pcs

We offer CNC Stamping Machines, Computer Numeric Control Stamping and Metal Stamping Services with customization. Our CNC Stamping Parts are of high quality and can be customized according to your exact requirements.

Support and Services:

CNC Stamping Parts Technical Support & Services

Our CNC Stamping Parts team provides technical support and service for our customers. We offer a comprehensive range of services to help you get the most out of your CNC Stamping Parts.

We can help diagnose problems and provide troubleshooting assistance.

We can suggest design improvements to help you optimize your CNC Stamping Parts.

We can provide installation and setup assistance.

We can provide maintenance and repair services.

We can provide training and support to help you maximize your CNC Stamping Parts.

We are committed to providing you with the best technical support and services to ensure that your CNC Stamping Parts are running at peak performance.
