

## Nickel Plating CNC Stamping Parts Customized Metal Forming Components

Our Product Introduction

For more products please visit us on [precision-cncparts.com](http://precision-cncparts.com)

### Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: ywy123
- Minimum Order Quantity: 1 Perch/Perches
- Price: USD 3.88-32.88 1 Perch/Perches
- Packaging Details: Carton packaging and blister box
- Delivery Time: 10-15work days
- Payment Terms: L/C D/A D/P T/T Western Union MoneyGram
- Supply Ability: 1000 Perch/Perches 10-15work days

### Product Specification

- MOQ: 1000pcs
- Packaging: Carton, Wooden Case, Pallet, Etc.
- Tolerance:  $\pm 0.01$ mm
- Sample: Available
- Processing Method: CNC Stamping
- Color: Customized
- Surface Treatment: Polishing, Zinc Plating, Nickel Plating, Chrome Plating, Anodizing, Etc.
- Size: Customized
- Highlight: **Nickel Plating CNC Stamping Parts, Chrome CNC Stamping Parts, Polishing Metal Forming Components**

## Product Description

### Product Description:

CNC Stamping Parts are precision sheet metal parts and metal forming components manufactured by CNC stamping machines. The materials used for the production of CNC stamping parts include stainless steel, carbon steel, aluminum, copper, brass, etc. The surface treatments available include polishing, zinc plating, nickel plating, chrome plating, anodizing, etc. with a tolerance of  $\pm 0.01\text{mm}$ . The packaging of the CNC stamping parts is available in carton, wooden case, pallet, etc. The minimum order quantity for CNC stamping parts is 1000pcs.

### Features:

Product Name: CNC Stamping Parts

Sample: Available

Packaging: Carton, Wooden Case, Pallet, Etc.

Application: Automotive, Electrical, Electronic, Industrial, Etc.

Color: Customized

Processing Method: CNC Stamping

Sheet Metal Fabrication

Stamped Metal Parts

Metal Stamping Processes

### Technical Parameters:

Parameters	Details
MOQ	1000pcs
Surface Treatment	Polishing, Zinc Plating, Nickel Plating, Chrome Plating, Anodizing, Etc.
Color	Customized
Shape	Customized
Tolerance	$\pm 0.01\text{mm}$
Material	Stainless Steel, Carbon Steel, Aluminum, Copper, Brass, Etc.
Processing Method	CNC Stamping
Packaging	Carton, Wooden Case, Pallet, Etc.
Sample	Available
OEM/ODM	Acceptable
Stamped Metal Parts	Yes
Metal Stamping Processes	Yes
Metal Forming Processes	Yes

### Applications:

YWY CNC Stamping Parts, model CNC606, are precision sheet metal parts made from CNC stamping machines. These parts are made with high precision and accuracy with tolerance up to  $\pm 0.01\text{mm}$ . YWY CNC Stamping Parts are available in customized sizes and can be made according to the customer's requirement. These parts can be treated with polishing, zinc plating, nickel plating, chrome plating and anodizing. YWY CNC Stamping Parts are produced with excellent quality and performance. They are widely used in various industries such as automotive, electronics, medical, aerospace, etc. YWY CNC Stamping Parts are also available in OEM/ODM service, which makes them ideal for different applications. With their high quality and precision, YWY CNC Stamping Parts are perfect for any high precision sheet metal processing project.

### Packing and Shipping:

CNC Stamping Parts Packaging and Shipping:

The parts will be wrapped in a waterproof material.

The parts will be placed in a cardboard box for protection.

The box will be sealed with tape for secure shipping.

The box will be shipped via a reliable courier service.

## FAQ:

Q: What is CNC Stamping Parts?

A: CNC Stamping Parts is a kind of metal parts produced by CNC (Computer Numerical Control) machine.

Q: What is the brand name of CNC Stamping Parts?

A: The brand name of CNC Stamping Parts is ywy.

Q: What is the model number of CNC Stamping Parts?

A: The model number of CNC Stamping Parts is cnc606.

Q: Where are CNC Stamping Parts from?

A: CNC Stamping Parts are from Guangdong Huizhou.

Q: Are CNC Stamping Parts durable?

A: Yes, CNC Stamping Parts are durable and have long service life.
