

Customized OEM/ODM CNC Machined Parts Tailored Solutions for Your Production Process

Our Product Introduction

For more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: yuanwenyu
- Certification: 1
- Model Number: 1X893, OEM
- Minimum Order Quantity: 50 pieces
- Price: \$2.35 - \$12.68/pieces
- Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton
- Delivery Time: 1
- Payment Terms: 1
- Supply Ability: 1000000 Piece/Pieces per Month

Product Specification

- Size: Customized
- Drawing Format: PDF, DWG, IGS, STEP, Etc.
- OEM/ODM: Acceptable
- Application: Automotive, Aerospace, Medical, Etc.
- Packaging: Standard Export Carton Or Customized
- Tolerance: $\pm 0.01\text{mm}$
- Lead Time: 7-15 Days
- Surface Treatment: Anodizing, Plating, Painting, Etc.
- Highlight: **OEM/ODM CNC Machined Parts,
Tailored Solutions CNC Machined Parts,
Customized CNC Machined Parts**

Product Description

Product Description:

Features:

Product Name: CNC Machined Parts

Lead Time: 7-15 Days

Packaging: Standard Export Carton Or Customized

Processing Method: CNC Machining, Turning, Milling, Etc.

Application: Automotive, Aerospace, Medical, Etc.

OEM/ODM: Acceptable

Keywords: Numerically-controlled machining parts, Computer-aided machining parts, Computerized Numerical Cutting parts

Technical Parameters:

Packaging	Standard Export Carton Or Customized
MOQ	10 Piece
Material	Aluminum, Steel, Brass, Etc.
OEM/ODM	Acceptable
Lead Time	7-15 Days
Drawing Format	PDF, DWG, IGS, STEP, Etc.
Surface Treatment	Anodizing, Plating, Painting, Etc.
Processing Method	CNC Machining, Turning, Milling, Etc.
Delivery Method	DHL, FedEx, UPS, Etc.
Application	Automotive, Aerospace, Medical, Etc.

This table contains technical parameters for precision machined parts, computer-aided manufacturing parts, and computer-aided machining parts.

Applications:

Our CNC machined parts are versatile and can be used in various industries, including automotive, aerospace, medical, and others. They are suitable for applications that require high precision and accuracy, which is why they are popular in the manufacturing industry. Our products are designed to provide optimal performance, reliability, and durability, making them ideal for challenging environments.

The surface treatment of our CNC machined parts includes anodizing, plating, painting, and other options that improve their appearance and performance. We provide packaging details that ensure safe transportation and delivery of our products, including EPE foam, anti-rust paper, stretch film, plastic bag + carton, and others.

Our supply ability is 1000000 pieces per month, and our lead time is 7-15 days. We accept OEM/ODM orders and provide customization services to meet the specific needs of our clients. Our products are manufactured with the latest technology and equipment, and our team of professionals ensures that every product meets the highest quality standards.

Whether you need precision machined parts for your automotive business, aerospace company, or medical facility, Yuanwenyu's CNC machined parts are the perfect solution. Our products are reliable, durable, and cost-effective, providing optimal performance and value for money. Contact us today to place your order and experience the best in computer-aided machining parts.

Customization:

Our brand, yuanwenyu, offers product customization services for our Computer-aided machining parts, also known as Computerized Numerical Cutting parts or Computer-Numerically-Controlled parts. Our model number is 1X893, OEM, and our products are manufactured in Guangdong, China.

We are certified and have a minimum order quantity of 50 pieces. Our prices range from \$2.35 to \$12.68 per piece, and we use EPE foam, Anti-Rust Paper, Stretch Film, Plastic bag, and Carton for packaging.

Our delivery time and payment terms are negotiable, and we have a supply ability of 1000000 Piece/Pieces per Month. Our packaging is standard Export Carton or Customized, and we conduct 100% inspection before shipment.

We accept drawing formats such as PDF, DWG, IGS, STEP, and others. Our tolerance is $\pm 0.01\text{mm}$, and our processing method includes CNC Machining, Turning, Milling, and more.

Support and Services:

Our CNC Machined Parts product comes with comprehensive technical support and services to ensure that our customers receive the best possible experience. Our team of experts are available to answer any questions or concerns you may have about the product, its installation, maintenance, and troubleshooting. We offer assistance with customization and modifications to suit your unique needs and requirements. Additionally, we provide regular maintenance and repair services to keep your CNC Machined Parts in top condition and extend its lifespan. Our commitment to quality ensures that you can rely on our product and services for years to come.

Packing and Shipping:

Product Packaging:

Our CNC Machined Parts are carefully packaged in boxes with protective foam to ensure that they arrive at your doorstep undamaged.

Shipping:

We offer worldwide shipping with reliable and trusted carriers. Shipping rates will vary depending on your location and the size of your order. Once your order has been processed and shipped, you will receive a tracking number via email so you can track your package.

FAQ:

Q: What is the brand name of these machined parts?

A: The brand name is yuanwenyu.

Q: What are the available models for these machined parts?

A: The available models are 1X893 and OEM.

Q: Where are these machined parts manufactured?

A: These machined parts are manufactured in Guangdong, China.

Q: Are these machined parts certified?

A: Yes, these machined parts are certified.

Q: What is the minimum order quantity for these machined parts?

A: The minimum order quantity is 50 pieces.

Q: What is the price range for these machined parts?

A: The price range is from \$2.35 to \$12.68 per piece.

Q: What is the packaging for these machined parts?

A: The packaging includes EPE foam, anti-rust paper, stretch film, and plastic bag with carton.

Q: What is the delivery time for these machined parts?

A: The delivery time is dependent on the order quantity and can be discussed with our sales team.

Q: What are the payment terms for these machined parts?

A: The payment terms can be discussed with our sales team.

Q: What is the supply ability for these machined parts?

A: The supply ability is 1000000 Piece/Pieces per month.
