

Aluminum Precision CNC Machined Parts Customized for Your Manufacturing Requirements

Our Product Introduction

For more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: yuanwenyu
- Certification: 1
- Model Number: 1X893, OEM
- Minimum Order Quantity: 50 pieces
- Price: \$2.35 - \$12.68/pieces
- Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton
- Delivery Time: 1
- Payment Terms: 1
- Supply Ability: 1000000 Piece/Pieces per Month

Product Specification

- Packaging: Standard Export Carton Or Customized
- Application: Automotive, Aerospace, Medical, Etc.
- Material: Aluminum, Steel, Brass, Etc.
- Tolerance: ± 0.01 mm
- Quality Control: 100% Inspection Before Shipment
- Lead Time: 7-15 Days
- Size: Customized
- Processing Method: CNC Machining, Turning, Milling, Etc.
- Highlight: **Customized Aluminum CNC Machined Parts, Precision Aluminum CNC Machined Parts**

Product Description

Product Description:

One of the key attributes of our CNC machined parts is the precision and accuracy achieved through our state-of-the-art machining processes. We are able to achieve a tolerance of $\pm 0.01\text{mm}$, ensuring that each part is consistent and meets the required specifications. Another important aspect of our CNC machined parts is the surface treatment. We offer a variety of options for surface treatment, including anodizing, plating, painting, and more. This allows us to provide our clients with parts that not only meet their functional requirements but also their aesthetic needs.

Our lead time for CNC machined parts is 7-15 days, depending on the complexity of the part and the quantity required. We understand that time is of the essence in the manufacturing industry, and we strive to deliver our parts in a timely and efficient manner.

Finally, we take great care in the packaging of our CNC machined parts. We offer standard export carton packaging, as well as customized packaging solutions to meet the unique needs of our clients. This ensures that the parts are protected during transit and arrive at their destination in excellent condition.

Features:

Product Name: CNC Machined Parts

Lead Time: 7-15 Days

Application: Automotive, Aerospace, Medical, Etc.

Processing Method: CNC Machining, Turning, Milling, Etc.

Delivery Method: DHL, FedEx, UPS, Etc.

Material: Aluminum, Steel, Brass, Etc.

Features:

Computerized machining parts

Numerically-controlled machining parts

Precision machined parts

Technical Parameters:

Surface Treatment	Anodizing, Plating, Painting, Etc.
Application	Automotive, Aerospace, Medical, Etc.
Lead Time	7-15 Days
Delivery Method	DHL, FedEx, UPS, Etc.
Tolerance	$\pm 0.01\text{mm}$
Packaging	Standard Export Carton Or Customized
OEM/ODM	Acceptable
Drawing Format	PDF, DWG, IGS, STEP, Etc.
Quality Control	100% Inspection Before Shipment
MOQ	10Piece

Applications:

Our computer-aided machining parts are designed to be versatile and can be used in a variety of industries. They are commonly used in aerospace, automotive, medical, and electronics industries. For example, the 1X893 model can be used in the production of aircraft engines, medical equipment, and precision instruments.

Our computerized machining parts are ideal for scenarios where precision and accuracy are crucial. The parts are made with a high level of precision and are inspected 100% before shipment.

Our CNC machined parts are available in various quantities, with a minimum order quantity of 50 pieces. The price of our products ranges from \$2.35 to \$12.68 per piece, depending on the model and quantity ordered.

Our packaging details include EPE foam, anti-rust paper, stretch film, and plastic bags, plus a carton to ensure that the parts are protected during transportation. With a supply ability of 1000000 pieces per month, we can meet your demands in a timely manner.

We accept OEM and ODM orders, and our products can be surface treated with anodizing, plating, painting, and more to meet your specific requirements. We also offer delivery through DHL, FedEx, UPS, and other methods, with a delivery time of 1 day.

Whether you're looking for CNC machined parts for aircraft engines, medical equipment, or precision instruments, Yuanwenyu has got you covered. Our high-quality computerized machining parts are perfect for any scenario where precision and accuracy are crucial.

Contact us today to place your order and get started!

Customization:

Our product, CNC machined parts, is a computer-aided manufacturing part that is manufactured by yuanwenyu. The model numbers available for this product are 1X893 and OEM. This product is made in Guangdong, China, and is certified. The minimum order quantity

for this product is 50 pieces, and the price ranges from \$2.35 to \$12.68 per piece. The packaging details include EPE foam, anti-rust paper, stretch film, plastic bag, and carton. The delivery time for this product is 1, and the payment terms are negotiable. We offer a supply ability of 1000000 pieces per month and can customize the size according to your requirements. Our CNC machined parts can be applied in various industries such as automotive, aerospace, medical, etc. The MOQ for our product is 10 pieces, and we accept OEM/ODM orders. The processing method for our product includes CNC machining, turning, milling, etc.

Support and Services:

Our CNC Machined Parts are designed and manufactured to meet the highest quality standards. We offer technical support and services to ensure that our customers receive the best possible performance from their parts. Our support includes:

Expert assistance with installation and setup

Training on proper operation and maintenance

Troubleshooting and repair services

Customization and modification options to meet specific needs

We are committed to providing exceptional customer service and ensuring that our customers are satisfied with their CNC Machined Parts. Contact us for more information or to request technical support or services.

Packing and Shipping:

Product Packaging:

Our CNC machined parts are carefully packaged to ensure they arrive at their destination in perfect condition. Each part is individually wrapped in foam or bubble wrap and then placed in a sturdy cardboard box. The box is sealed with packing tape to prevent any damage during shipping.

Shipping:

We offer fast and reliable shipping options for our CNC machined parts. We use trusted carriers such as UPS, FedEx, and DHL to ensure your package arrives on time and in good condition. Shipping costs are calculated based on the weight and dimensions of your order, as well as your location.

FAQ:

Q1: What is the Brand Name of the CNC Machined Parts?

A1: The Brand Name of the CNC Machined Parts is yuanwenyu.

Q2: What is the Minimum Order Quantity for the CNC Machined Parts?

A2: The Minimum Order Quantity for the CNC Machined Parts is 50 pieces.

Q3: What is the Price range for the CNC Machined Parts?

A3: The Price range for the CNC Machined Parts is between \$2.35 - \$12.68 per piece.

Q4: What are the Packaging Details for the CNC Machined Parts?

A4: The Packaging Details for the CNC Machined Parts include EPE foam, Anti-Rust Paper, Stretch Film, Plastic bag, and Carton.

Q5: What is the Delivery Time for the CNC Machined Parts?

A5: The Delivery Time for the CNC Machined Parts is 1 week.
